

REMARKS

Applicant thanks the Examiner for his indication that claims 5-20 have been allowed. Applicant hereby affirms the election of Group II, claims 5-20. In view of this election, Applicant hereby withdraws claims 1-4, and 21-26, without prejudice to the filing of any divisional, continuation, or continuation-in-part application.

Applicant has amended the Specification to correct the typographical errors noted by the Examiner. In addition, Applicant has amended the Specification to address the inconsistency between the Specification and the Drawings, with respect to reference character 140a. In view of this Amendment to the Specification, Applicant believes that corrected drawings are not necessary.

All of the claims remaining in the application are now believed to be allowable. Favorable consideration and a Notice of Allowance are earnestly solicited.

If questions remain regarding this application, the Examiner is invited to contact the undersigned at (206) 628-7670.

Respectfully submitted,
James R. Gannett
